

Uveitis Course for SOE 2019 organized by SOIE (Society for Ocular Immunoinfectiology in Europe)

Nice, June 14, 2019

Uveitis approach has become more easy and precise: illustrative cases.

Chairpersons: Carl P. Herbort Jr (Switzerland) & Piergiorgio Neri (Abu Dhabi)

1. Piergiorgio Neri & Francesco Pichi (Abu Dhabi, UAE)
2. Moncef Khairallah (Monastir, Tunisia)
3. Carl P. Herbort Jr (Lausanne, Switzerland)
4. Carlos Pavésio (London, UK)

Summary

The course will have a practical aim using cases that will put forward the evolution of management methods in recent years. Practical cases will be presented in a quiz fashion to underline the more precise approach of uveitis cases as well as their more targeted treatment.

Therefore there will be no handout provided, as it is an interactive case by case course
